

2) Constable Shawn Paulitzki – Exemplary Service Medal

The Chief noted that most countries have, as part of their honor system, some form of official award to tangibly express national gratitude for long and commendable service, particularly in fields of endeavor involving potential risk. Canada's Exemplary Service Medals recognize the people dedicated to preserving Canada's public safety through long and outstanding service. The Police Exemplary Service Medal, created on August 12, 1983, recognizes police officers who have served in an exemplary manner, characterized by good conduct, industry and efficiency. Recipients must have completed 20 years of full-time service with one or more recognized Canadian police forces.

Shawn Paulitzki has been employed by the Saugeen Shores Police Service since January 4th 1999, having completed 20 years of exemplary service on January 4th 2019. Shawn Paulitzki is a dedicated member of our Police Service, and has fulfilled secondments in the Criminal Investigations Unit and Acting Sergeant roles. Shawn's attention to detail and in-depth report writing ensures that all of his investigations are complete and investigated to the fullest extent. Shawn has been instrumental over the years of organizing fundraisers and events to give back to the community. His dedication and commitment is appreciated, and the honour of a 20-year exemplary medal is very deserving.
